*Jesse W. Solomon*  
President

One of the simplest ways to find meaning in your life is to help others whenever the opportunity presents itself. It gives you a valuable perspective on life when you spend time with those who are less fortunate than yourself. Your willingness to look beyond the borders of your own existence with the intention of spreading goodwill can create an echo in which the good you do is reflected back to you. When you help others, you create a purpose that goes beyond your personal needs and contribute to humanity.

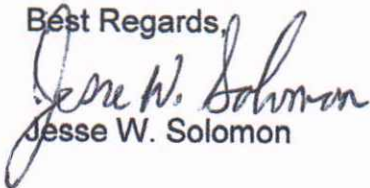

Let's come out and honor, support and sponsor Brian McCrary Scholarship Endowment Fund on September 5, 2014, at FSU University Center Club. However, Brian (# 43) a former FSU football player has been diagnosed with Lou Gehrig's Disease (ALS). Consequently, Brian is fighting for his life every day, but he is still considerate of others by creating this scholarship so someone else may have an educational opportunity. Your sponsorship and/or donation will be helpful.

The Athletes Care Association (ACA) is an organization dedicated to help former FSU football players improve their quality of life. ACA addresses all aspects of life by providing assistance with community, emotional, educational, financial and medical and shelter issues.

Enclosed you will find more detailed information about the donation campaign and how to make your contribution. ACA is a non-profit 501 (c) (3) organization so your donations are tax deductible.

It's through your generous donations that we as former FSU players can ensure that we continue to provide assistance to our teammates in their time of need. Please give me a call if you have any questions.

Best Regards,

  
Jesse W. Solomon
